IMPORTANT ANNOUNCEMENT REGARDING REQUESTS FOR OUT-OF-NETWORK SERVICES FOR WV MEDICAID MEMBERS

All Out-of-Network services requested (EXCEPT where indicated in policy) shall require prior authorization by the Utilization Management Contractor (UMC) or the Bureau for Medical Services (BMS) before services are provided. Referrals for out-of-network shall be requested by an enrolled West Virginia Medicaid provider with required documentation of the established criteria as noted below. Out-of-Network services, except for confirmed emergent situations, shall not be reimbursed when the requested service is available in West Virginia. **The treating physician and facility shall enroll as a West Virginia provider to be eligible for reimbursement, accept West Virginia Medicaid's reimbursement as payment in full, and attach a copy of the approval form to the BMS' Fiscal Agent, billing form for payment consideration.** The approval of services does not guarantee payment. West Virginia Medicaid does not negotiate fees. This form shall be returned to the referring provider with the UMC/BMS determination.

Acentra Health, the current Utilization Management Contractor (UMC) for the West Virginia Bureau for Medical Services processes all Out-of-Network requests for all **Non Managed Care(MCO)** Medicaid members. ***Acentra Health does not process OON requests for Managed Care Organization (MCO) WV Medicaid members.***
